

IN THE
UNITED STATES DISTRICT COURT
FOR THE MIDDLE DISTRICT OF PENNSYLVANIA

OCT 28 2021

PER T32

DEPUTY CLERK

Anthony Reid, et al., <i>Plaintiffs,</i>	:	Hon. John E. Jones, III
	:	
	:	
v.	:	No. 18-CV-0176
	:	
John E. Wetzel, et al., <i>Defendants,</i>	:	A Class Action Post-settlement Phase

Notice

Class member Poplawski appears to respectfully notify this Court:

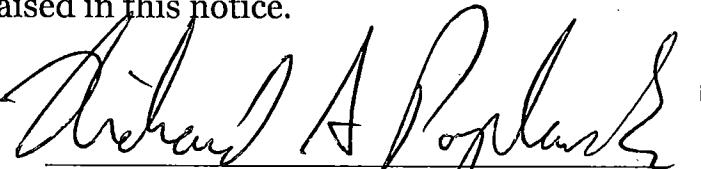

1. As of this date, the **Physical and Mental Baseline Evaluations**, as detailed in § V(D) of the Settlement Agreement (Doc. 46-2), have not yet started;
2. As of this date, **Technical Compliance**, as detailed in § VII, has not yet begun; consultant Rick Raemisch has not conducted a single onsite inspection.

These facts raise concerns: Since the purpose of the baseline evaluations was to “develop[] individualized plans for reintegration and resocialization of CCU prisoners,” and “to promote mental health and prosocial interaction” how can these central goals of the settlement be properly achieved?

What effect does the delay to the start of compliance monitoring have on the determination of the “Commencement Date” (as defined in § II)? Since the Agreement “shall remain in force for a period of three years from the Commencement Date,” according to § IX, is this interim period being tolled? It should be.

Poplawski is disappointed that class counsel and the defendants have not apprised this Court of these delays, especially considering that the Agreement mandates that “[i]n no event . . . shall Defendants’ implementation plan provide for a period of implementation that extends more than [180] days from the Effective Date.” § VI at 28.

Poplawski respectfully requests that the Court ORDER the parties to respond to the questions raised in this notice.
